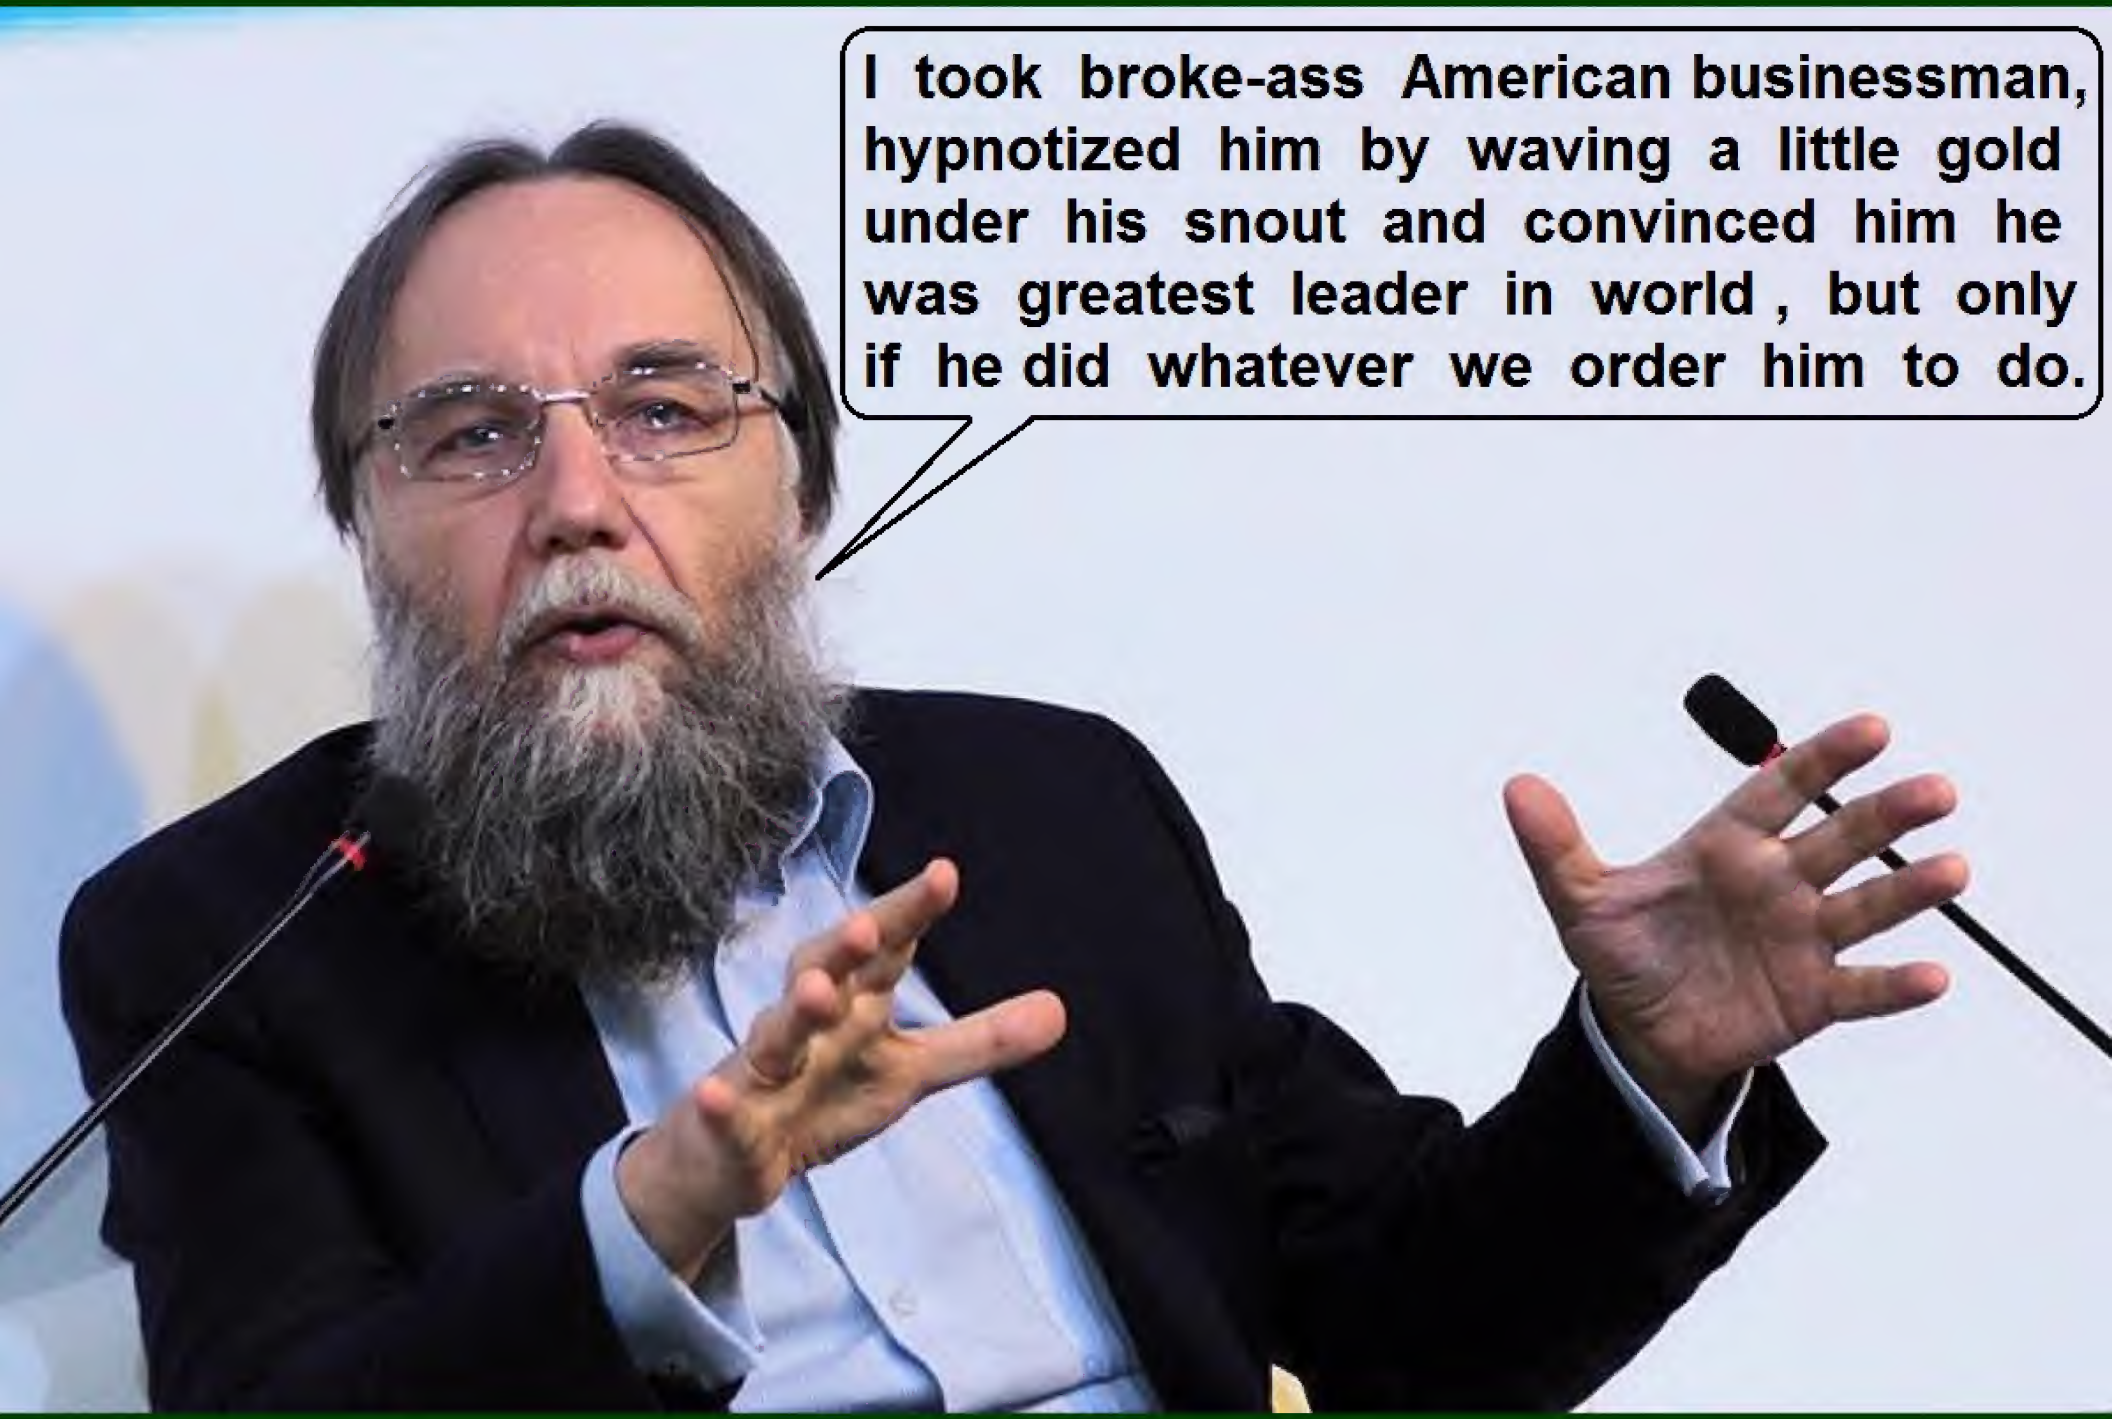
Before selling his soul to Satan, Jerod Kushner was an ordinary slumlord



I took broke-ass American businessman, hypnotized him by waving a little gold under his snout and convinced him he was greatest leader in world , but only if he did whatever we order him to do.

Our connections with Russia are well known - you don't need a report on it made public just now. For example, my good friend Alex Temerko just gave us another £1.2 million - why would anyone think this is an issue ? But we aren't Russian agents - Corbyn and his Labour party are !

WHAT TRUMP HAS DONE:

Abused his power to pressure a foreign government to interfere in our election.

Used the power of his office to advance his own political interests.

Undermined our free and fair elections.

Threatened our national security.

Got caught trying to cover it all up.

Then admitted to it all on TV and Twitter.

WHAT MITCH MCCONNELL HAS DONE ABOUT IT:

It's like they say, "if you can't beat 'em, join 'em." So I did.

Now I, too, have secret bank accounts in Nevada and Delaware just bursting with tax-free payola that were generously provided by Russian oligarchs.

Thank you, America ! Suckers !
